

OPENING DOORS OF OPPORTUNITY

Breakthrough's Annual Benefit

Thursday, October 3, 2024

6-9pm, Wildman BT, 3020 W Carroll Ave, Chicago, IL

Support the 2024 Breakthrough Annual Benefit

Breakthrough's Annual Benefit raises support for the innovative and engaging programs that serve more than 21,000 Garfield Park residents each year. Breakthrough's mission is to partner with people to build connections, develop skills, and open doors of opportunity. The West Side of Chicago is a vibrant place and Breakthrough is dedicated to providing resources in partnership with local residents.

This year's benefit will be held at a private event space in Garfield Park. The event will feature an interactive gallery space, food from a local caterer, and a program of speakers. Benefit sponsorship allows companies to gain visibility with a new audience while supporting essential community-based services. The event will be promoted through Breakthrough's email lists and social media channels which have over 10,000 subscribers. Breakthrough is expecting around 250 attendees.

Breakthrough is a community-based non-profit organization supporting residents in the Garfield Park community on the West Side of Chicago. For more information, visit breakthrough.org
